

Trouser Exchange Cloakroom

If pupils present at CHS wearing jeans, chinos or tracksuit bottoms they will be directed to pupil family support and given a temporary exchange of suitable black trousers. Pupils will then wear these items to class before exchanging back at the end of the school day. If pupils refuse the exchange, we will contact home and arrange for the pupils to go home and change before returning to school. We are hoping this is a proactive approach to improve the overall appearance of the pupils at CHS. We are aware of other areas of the uniform that also need to be addressed. However, with the support of parents and other partners, we believe a staged plan of targeting specific areas is a manageable way to guarantee improvement in uniform.

Clydebank High School believes that a high standard of uniform can;

Contribute to school security and personal safety;

Instil pride in the school and contribute to its values;

Promote a positive and professional work ethic;

Help pupils to see schools as places of learning; support positive behaviour and discipline;

Encourage identity with, and support for, school ethos

Promote equality of opportunity and social justice

Protect children and young people from social pressures to dress in a particular, fashionable or expensive way

Nurture cohesion and promote good relations between different groups of pupils

Foster a spirit of partnership among pupils and staff, between home and school, and between community and school

Please see below links to suitable school uniform;
